TWHBEA rules prevail for all Versatility Classes
PWAH rules prevail for all other classes

*******Sponsorships*******

Please support PWAH and Sponsor a class. It's only \$15 per class and we will announce your name or business during the class or classes you'd like to sponsor.

**Lunch will be Available **

OPEN GAITED BREED (OGB) COUNTRY PLEASURE HORSE – to be shown at the required gaits. Open to gaited horses of any breed. No registration papers required. Horses must transition from the walk or the working walk to the intermediate gait (middle gait) with an obvious change of speed REQUIRED. An intermediate gait (middle gait) is a gait ranging from a flat walk, a paso llano, a stepping pace to a fox trot. Any tendency to hard pace or hard trot must be severely penalized. The intermediate gait is always faster than the walk. The Country Pleasure horse is the epitome of pleasure and comfort. These horses must appear comfortable, well mannered, easy to ride, and consistent on a light rein. Horses must stand quietly and back readily when asked. Any unfinished, poor acting horse(s) should not be placed in front of other horses that have the required elements of a Country Pleasure horse. The canter should be collected, graceful and display absolute effortlessness for the horse and rider. (MAXIMUM shoe size on all four feet: 3/8 x 3/4, caulks allowed)

Shoeing Regulations: The maximum shoe size allowed by PWAH is 3/4" wide x 3/8" thick. **Caulks are not allowed in Trail Pleasure.** The maximum toe length for all classes is 5" measured from the corset band to the toe including the shoe.

Limit Rider : Any rider that has NOT won six blue ribbons on a Tennessee Walking Horse in ANY Performance Class in his/her show career, this includes open shows, but excludes fun shows or schooling shows.

Color Horse: Color Horse classes will be offered to those horses that are eligible for a colored horse registry. The colors are: Spotted blanket representing the Appaloosa horse coat pattern, Pinto (Overo, Tobiano, Tovero, and Sabino), Palomino, Buckskin, Dun, Red Dun, Grulla, Cremello, Perlino, True White (pink skin), Champagne, Tiger, Brindle, Crème. Horses not considered for color horse registries and there for not eligible for our Color Horse classes are: chestnut, sorrel, Bay, black, roan, gray, and brown.

Rules and Divisions:

PLANTATION PERFORMANCE HORSE – to be shown at the required gaits. Horses are to be judged as the ultimate show horse displaying presence, brilliance, and animation while performing. Horses should display smooth, fluid, free-flowing, head shaking and ground covering gaits. The horse shall be very balanced front and rear and display discernable transitions from flat walk to running walk. The Performance Horse is the epitome of a natural show horse. Each horse should have an elevated headset and exhibit the utmost in style and/or front end action breaking near or at the 90 degree mark (level) while doing a true 4 beat walking horse gait. The Performance Horse's canter should be light and airy with a graceful rising motion. The canter must be under control at all times. Any bumping and/or pumping of the reins should be extremely penalized. Each horse must back readily on command. (MAXIMUM shoe size for all four feet: 3/8 x 3/4, caulks allowed)

PLANTATION PLEASURE HORSE – to be shown at the required gaits. This horse should epitomize the natural Plantation Walking Horse performing the true signature gaits of the breed. Horses are to be judged on their alert and willing attitude. Horses should display smooth, fluid, free flowing, head shaking, and ground covering gaits. The Pleasure horse should move with effortless rhythm and style but not be overly animated. Excessive animation in a Plantation Pleasure class is unacceptable. Horses should have a headset that is moderate, natural, and not overly elevated. The Pleasure horse's knee should break at or above the 45 degree mark. Manners, responsiveness, & manageability on a light rein are paramount and should be judged accordingly. The horse shall be very balanced front and rear and display easy and discernible transitions from flat walk to running walk. The canter should be light, airy, and collected and must be under control at all times. Any bumping or pumping of the reins should be extremely penalized. Each horse must back readily on command. (MAXIMUM shoe size for all four feet: 3/8 x 3/4, caulks allowed)

PLANTATION TRAIL PLEASURE HORSE – to be shown at the required gaits. Horses should perform the true walking horse gaits with effortlessness geared toward encouraging stamina and longevity on the trails, while exhibiting a cadenced head shake. Animation and action are not desirable, and horses should be judged on manners, responsiveness and manageability on a light rein. Horses must be relaxed and speed must not come at the sacrifice of form. Each horse shall be very balanced front and rear and display easy, discernible transitions from flat walk to running walk. The Trail Pleasure horse should have a natural head set according to its conformation. All horses must have a willing attitude suited for hours on the trail. The canter should be relaxed and effortless with control at all times. Any bumping or pumping of the reins should be severely penalized. Horses are required to stand quietly, and back readily. In the flat walk and running walk, the curl of the elevated front foot may not be above the fetlock area. (MAXIMUM shoe size for all four feet: 3/8 x 3/4, NO CAULKS ALLOWED)

As of 2008, PWHA has new rules and division names as you have seen. It is your responsibility to enter your horse(s) in the correct division, as well as confirming shoeing regulations. There is no cross-entering between divisions with the same horse(s).

Awards

Ribbons 1st through 5th
